

Day 2 Visit Our Friends

Standard rules apply except that the TP radius is increased to 2km. There will be no finishing bonus unless you have flown at least 10km from the start zone.

Visit as many gliding clubs, marked with a G on the current 1:500,000 chart, as you wish.

Score 1 point per km along your route including the return from your finish zone to North Hill when finishing in accordance to the rules.

Score 10 points for each gliding club visited.
