

Enterprise Day 3 – Around the Compass

All standard scoring rules apply except:

1. The start sector is centred on NHL with a radius of 5km.
2. The finish bonus will be earned by landing back at NHL after turning at least one TP more than 10km from NHL. The finish bonus is reduced to 20 points.

There are four sectors, NW, NE, SE and SW centred on NHL. Fly an out and return from NHL to any BGA TP in a sector of your choice. If you wish, fly a further O/R to a TP in a different sector from the previous one, Repeat as desired. After your final O/R land back at NHL.

Distance:

2pts/km flown on completed O/R's.

1pt/km on incomplete O/R's that reach a BGA TP. No score for a leg resulting in a landout.

Bonuses:

Score 10 pts for each TP turned for the first time.

10 points for the first O/R in one sector, a further 20 in the 2nd (different) sector, 30 in the 3rd (different) sector and 40 in in the 4th (different) sector.

Claim 15 points for each 1000' gain of height (once only!).

NOTAMs:

No significant NOTAMs within 50nm of NHL.
