There is a line of available turning points stretching from Truro to Whitchurch. You may use any listed TP, reversing direction as often as you wish. However, each TP may be used only once.

Only completed legs score. Score 1 pt/km using distances along the line. When finishing, scorer will add the distance from your final TP back to NHL (via CLS or HHL).

Score 20 pts for each turning point visited.

40 point bonus for getting to Cornwall - crossing the River Tamar.

NOTAMs - Nothing significant within 10NM of the line.
