Getting to the Site: Use EX14 4QW for satnavs

It is strongly recommended that you do NOT try to bring your Trailer / Caravan to the club by following Broad Road from the A373 (by Keepers Cottage). This narrow road (single track in places) has a steep hairpin bend and often has farm and tourist traffic.

- **From M5 Exit 28:** Take the A373 towards Honiton. After Colliton, turn left for Broadhembury. Travel through the village and continue towards Dunkeswell. Turn left onto Golden Lane, signposted Sheldon and after approximately 1 mile look left for house entrance called "Golden Cleeve" and immediately after, on the left you will see a blue DSGC glider sign at entrance to airfield. Turn left up private wooded drive which has a green iron framed gate at the entrance.
- **From A30/A303 Honiton bypass:** Take slip road signposted Dunkeswell, Take Langford Road towards Dunkeswell. (There are also brown signs to Wulford Chapel) After approximately 2.8 miles, take the left fork onto Limers Lane towards Dunkeswell. After approximately 1 mile (having passed the entrance to Wulford Chapel) at the next crossroads Wulford Cross, turn left onto Long Lane. After approximately 1 mile, turn right onto Golden Lane, signposted Sheldon and after approximately 1 mile look left for house entrance called "Golden Cleeve" and immediately after, on the left you will see a blue DSGC glider sign at entrance to airfield. Turn left up private wooded drive which has a green iron framed gate at the entrance.

Site Mobile Coverage and Internet:

Mobile: With North Hill rural location, mobile service can be patchy.

- EE has excellent coverage up through 4G
- O2 coverage and service is poor for 3 & 4G, but good for 2G
- Vodafone only provides 2G service
- Three provides very good 3G service but no 4G

Internet: The site has good 4G internet service (50 Mbps) from EE which is available in the clubhouse. Directional antennas will extend coverage to the caravan/camping area, Control and the briefing hangar. n

Site Facilities

- **Payments:** DSGC can accept cash, cheques or card payments. Refunds will be made by bank transfers.

All Competition Enterprise 2017 flights will be by aerotow / self-launching. Winching will only be available if the official competition is declared scrubbed for that day.
- Self-Launchers - £7.00 per launch

LOCAL AIRSPACE RULES

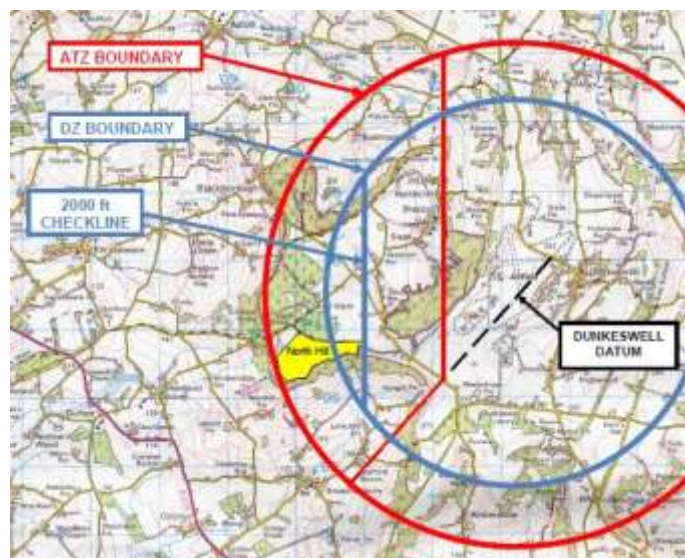

Details of local airspace rules are available on DSGC website including agreements for operation within Dunkeswell ATZ and Drop Zone, Exeter, Yeovilton and Cardiff airspace.

Please read: <http://www.dsgc.co.uk/docs-and-policies/local-airspace-rules>,
and http://www.dsgc.co.uk/pdf/documents/dsgc_guidance_to_visitors.pdf

There is ongoing discussion with Exeter regarding a proposal for a change of local airspace to Class D. It is critical that all pilots conduct themselves to avoid Airprox events. There will be an update to this at Competition Briefing.

The map below outlines the local agreement with Dunkeswell's ATZ and Dunkeswell Parachuting Drop Zone.
